

## HASSOCKS AMENITY ASSOCIATION

### ANNUAL GENERAL MEETING

Monday 23<sup>rd</sup> June at 7.30pm in the Adastral Hall, Hassocks

# YOUR VILLAGE, YOUR VISION, YOUR VIEWS

We live in the loveliest of countryside, in a village with probably more active community groups than any other in Sussex.

What should we preserve? What should we try to change? What should be our priorities?

What kind of village do you want for your children, your grandchildren? How can we secure it?

Joining us will be a group of key movers in the village matters who want to hear your views.

The Forum will be preceded by the Association's short AGM, but everyone is welcome, as it is
